

Become a Certified Bicycle Friendly Driver!

The Bicycle Friendly Driver program is a 1 hour interactive class, aimed at educating all drivers on the best and safest ways to share the road with people on bicycles. Developed by Fort Collins Bicycle Ambassador Program, the class addresses:

- Common crashes and how to avoid them
- What's legal and what's not legal, for both motorists and bicyclists
- Why bicyclists "take the lane" and what motorists should do in response
- Why sharing the road is the safest alternative for both motorists and bicyclists
- How to navigate bicycle related infrastructure such as: sharrows, bike boxes, and green lanes

Upon successful completion of the class, participants will receive a Bicycle Friendly Driver sticker which can be displayed on their vehicle.

Certificates sent upon request.
