

Entrance to Spencer Research Library

As of February 7, 2020

Spencer Research Library is located behind Strong Hall. Please enter Spencer on the ground floor beneath the terrace and adjacent to the covered parking area off Poplar Lane (see star on map). The entrance is admittedly not well marked. Once inside the building, attendees should use the elevator or stairs to go one level to the third floor.

- As of February 7, the doors at Strong Hall leading to the terrace and Spencer Research Library will most likely be locked.
- There is no entrance on the north side of the building, along Memorial Drive.
